Dear _____ Manager,

I currently have to order "Galeos Miso Dressings" from their website at www.galeoscafe.com and must pay shipping, which seems very expensive.

When will you be offering "Galeos Miso Dressings" in your store here where I shop? My family and friends just love it, and we all would appreciate having the ability to purchase it locally.

Thank you in advance for helping me to save money by purchasing this wonderful and healthy product in your store. I look forward to shopping here again soon!

Sincerely,

Retail Manager:
